## CHRISTMAS IN BRANSON

November 13 - 16, 2017

**HOTEL LODGING:**        *Chateau On The Lake*

### **FOREVER YOUNG:**

"Forever Young" is a story of musical discovery not yet told in Branson...the tale of six young friends, the basement of a Midwest suburban home, and the joy of listening to music played on a real, old-time record player! Before you just pushed a button, opened a website, or tapped on your cell phone, you watched as the record dropped onto the turntable and the arm spun over to place the needle down as the record spun round. The sweet anticipation of the sound to come as that delightful soft swoosh hushed from the speakers; it's a lost music-listening pleasure. These talented singers take you on a journey, beginning with the discovery of an old box of records, using their big voices and dynamic dance moves. Experienced artists Ryan Appleby, Avilla Martin, Josh Sassanella, Justin Sassanella, Steve Parrish, and Josh Barnett perform the songs that make up the playlist of your life. They'll share pop, rock, and country songs from records of the 60's, as well as hits from the decades since. Experience this tribute to *your* life and *your* music ... experience the joy of "Forever Young!"

### **COLLEGE OF THE OZARKS: (Tour, Meal, & Play)**

Christian values and character, hard work, and financial responsibility comprise the fundamental building blocks of the "Hard Work U" experience. At a time when there is much talk about what is wrong with the nation, College of the Ozarks exemplifies what is *right* with America. College Of The Ozarks is committed to its founding mission of providing a quality, Christian education to those who are found worthy, but who are without sufficient means to obtain such training. Instead of paying tuition, all full-time students work campus jobs to defray the cost of education. Upon complete participation in the Work Education Program, the College guarantees to meet the entire cost of education for students, allowing them the opportunity to graduate debt-free. The College openly discourages debt by not participating in any federal, state, or private loan programs and leads by example through having no institutional debt of any kind. Learn why this campus is known as "Hard Work U".
