COLORADO FALL FOLIAGE BY TRAIN!

September 18 - 26, 2018

The beautiful ASPEN is the quintessential Colorado tree. Towns, streets, dogs and even beer have been named after this glorious tree. In the summer, the aspens provide shade for the Colorado state flower, the Columbine; and when fall foliage comes on the scene, Coloradans rejoice as the aspens' gently tinkling leaves turn a vibrant shade of gold. Because we are traveling BY TRAIN, we will see parts of this wonderful display that are inaccessible by motor vehicle.

Tuesday ... September 18th:

This morning, we set off across the northern plains of Texas to **WICHITA FALLS** for a brief stop for lunch. Along with our stretch break, we should arrive in **AMARILLO** around 5:00 PM in time to freshen up a bit before dinner. Dinner tonight will be FREE at the hotel or *On Your Own* at one of several restaurants within walking distance.

MEALS ... Breakfast = On Your Own, Lunch = On American Tours, & Dinner = On American Tours

Wednesday ... September 19th:

We will travel more of our great Texas Panhandle, into New Mexico and Colorado, with a stop in Trinidad, CO. for lunch. Our journey will continue to **THE GREAT SAND DUNES NATIONAL PARK**. These dunes are over 12,000 years old and were formed by the Rio Grande River! You will be amazed at the color and shapes of the dunes.

MEALS ... Breakfast = On American Tours, Lunch = On American Tours, & Dinner = On Your Own

Thursday ... September 20th:

We spend our time today in the hills surrounding **ALAMOSA, CO**. Today, we will relive the golden age of railroads and discover a Colorado few get to see. The **RIO GRANDE SCENIC RAILROAD**'s steam engine rides through breathtaking mountain valleys and passes on hundreds of miles of historic rail. We will depart Alamosa on the SAN LUIS EXPRESS and wind through country ranging from agricultural flatlands to colorful foothills to cliff-sided mountains – much of it inaccessible by motor vehicle – on its way to the charming art town of La Veta. A leisurely, two-hour stop for lunch allows passengers to relax in the park, do some shopping, or gallery-browsing.

MEALS ... Breakfast = On American Tours, Lunch = On American Tours, & Dinner = On Your Own

Friday ... September 21st:

This morning, we will board the **CUMBRES & TOLTEC SCENIC RAILWAY**. The excitement begins the moment the train leaves the station in Antonito, Colorado. Leaving the vast, open San Luis Valley, the imposing peaks of the **ROCKY MOUNTAINS** seem to stretch forever. The train quickly covers the flat ground and reaches a series of hills. It crosses Ferguson's Trestle, named for a man who was hung there, then climbs to a lava mesa, a remnant of the mountains' volcanic past. From here, the route winds around wide curves, going up into the mountains. White-barked, slender aspen trees, which turn yellow-gold in fall, form a light, whispery forest. Sublette, New Mexico, an abandoned railroad town, still provides water for the steam locomotives. Wildlife abounds throughout the area, with bears, elk, and deer roaming the forests and hawks and eagles patrolling the sky.

MEALS ... Breakfast = On American Tours, Lunch = On American Tours, & Dinner = On Your Own

Saturday ... September 22nd:

This morning, we will board the **SILVERTON & DURAGO NARROW GAUGE RAILROAD**. Ride this scenic, historic train between the towns of Durango and Silverton along the Animas River through wilderness, un-accessible by any road! You will enjoy scenic views of the Colorado Rockies, valleys, and old mining towns! After lunch, we will board our motor-coach headed for Salida, CO.

*MEALS ... Breakfast = **On American Tours**, Lunch = **On Your Own**, & Dinner = **On American Tours***

Sunday ... September 23rd:

This morning, we will board the **LEADVILLE & COLORADO SOUTHERN RAILWAY**. This Colorado adventure is located in the heart of the Rocky Mountains. This scenic train trip provides 2 and 1/2 hours of sightseeing, relaxation and a little glimpse back in history. The train travels another 1,000 feet above the headwaters of the Arkansas River Valley. You will travel through pine forests, golden aspen groves, and high alpine meadows. Keep your camera handy to capture a picture of an eagle. After our train ride, we will continue that adventure by motor-coach as we ride through the peaks and valley of the **COLORADO ROCKIES** as we make our way to **COLORADO SPRINGS** for the night. Dinner tonight will **FREE** at the hotel or *On Your Own* at one of several restaurants within walking distance.

*MEALS ... Breakfast = **On American Tours**, Lunch = **On American Tours**, & Dinner = **On American Tours***

Monday ... September 24th:

We came down yesterday in elevation; but today we briefly had back up! You will ride the **PIKE'S PEEK COG RAIL** to the top of Pike's Peak, over 14,000 feet! Bring a jacket, it will be nippy. From here, you can see hundreds of miles around Colorado and even into New Mexico. This afternoon, we have just enough time to visit **GARDEN OF THE GODS**. Garden of the Gods Park is a registered National Natural Landmark. Imagine dramatic views, 300' towering sandstone rock formations against a backdrop of snow-capped Pikes Peak and brilliant blue skies. What a magnificent sight! Dinner tonight will **FREE** at the hotel or *On Your Own* at one of several restaurants within walking distance.
