## GEORGE W. BUSH PRESIDENTIAL LIBRARY & THE DALLAS ARBORETUM

March 20, 2019 ... *First Day Of Spring*

**What a way to welcome in Spring!! Today will be full of HISTORY and BEAUTY. Your mind will be full of facts and knowledge that you have never known before. Your heart and eyes will be filled with beauty that only GOD can create.**

### **DALLAS ARBORETUM ...**

Dallas Blooms features 500,000 spring-blooming bulbs including tulips, daffodils, Dutch Iris and hyacinths, in addition to 100,000 pansies, violas, poppies and thousands of other annuals and perennials. During the Spring Blooms Festival, over 100 Cherry Blossom trees bloom for a ten day period. Then the finale of the spring celebration is the mass flowering of the garden's collection of 6,000 azaleas that bloom into April.

### **George W. Bush Presidential Library ...**

The George W. Bush Presidential Library and Museum serves as a resource for the study of the life and career of President George W. Bush, while also promoting a better understanding of the Presidency, American history, and important issues of public policy. The Library and Museum accomplishes its mission by preserving and providing access to Presidential records and other donated collections, hosting public programs, creating educational initiatives, preserving artifacts, and producing innovative museum exhibits. The Museum at the George W. Bush Presidential Library and Museum will tell the story of the United States in an extraordinary time. This 14,000 square foot permanent exhibition is organized by four themes - *freedom, responsibility, opportunity, and compassion*. Using artifacts, documents, photographs, and videos from the Library's extensive collection, the Museum will include features, such as a full-sized Oval Office and a Texas Rose Garden. Interactive features include a Decision Points Theater designed to take the visitor "inside" the decision-making process and policies developed during the Administration of President George W. Bush. Make sure to take time to visit all of the landscape around the library and museum that has been adorned with only Native Texas Foliage.

**SPECIAL NOTE ...** This trip requires average physical activity. You should be in good health, able to climb stairs and walk reasonable distances, possibly over uneven grounds. For the trip to make, we will be looking for a total of 24 passengers to sign up. If trip is cancelled by American Tours due to low number of passengers, all moneys are fully refunded.
