STATE FAIR OF TEXAS

October 3, 2019

YAHOO! IT'S FAIR TIME! Come along with us and enjoy hundreds of exhibits, including the Women's Building, Livestock Grounds, music, entertainment, food, and so much more! Many special exhibits and shows will go on daily. You'll be able to get a schedule upon arrival! We'll depart the Fair around 4:00pm heading back towards East Texas.

Since its establishment in 1886, the State Fair of Texas has promoted Texas agriculture, education, and community involvement through quality entertainment in a family-friendly environment. As a nonprofit organization, the Fair advocates for the community and is committed to preserving Fair Park – building on its legacy as a National Historic Landmark. At 24 consecutive days, the State Fair of Texas is the longest-running fair in the nation, as well as one of the largest. Through its rich and lengthy history, it remains evident that the State Fair serves not only as an annual celebration but as a unique destination that brings people from all walks of life together to create lifelong memories.

Texas heritage is strong, and the State Fair embodies all aspects of Lone Star culture. Although much has changed since its humble beginnings, the State Fair of Texas still embraces its roots and preserves the traditions upon which it was built. After serving as the State Fair's home for a whole century, Fair Park was officially designated a National Historic Landmark in 1986 because of its historical significance. With 132 years of shared history, the State Fair has maintained a deep-rooted connection to Fair Park and continues to call it home. Year after year millions of Fair Park visitors come from far and wide to experience the State Fair of Texas and visit its beloved icon, Big Tex.

We plan to depart our location at 8:00am and return about 6:00pm. As we get closer to our trip date, more detailed information will be provided to those who have signed up.

SPECIAL NOTE ... Make sure to have some good walking shoes as this trip requires average physical activity. You should be in good health, able to climb stairs and walk reasonable distances, possibly over uneven grounds.
