At time of registration for a Destination Tour, the customer will be provided TRAVEL PROTECTION insurance information by PWD and given the opportunity to accept or decline such coverage. All Tours Include: All tours include lodging and overnight accommodations with 3Star or better hotels and/or resorts. Admissions and sightseeing costs are featured in the itinerary. All taxes and gratuities are included with an exception on gratuities for your American Tours "Escort & Driver".

Gratuities For American Tours Escort & Driver: How much you tip is a purely personal matter. However, we suggest the amount of \$2 per person per day for Tour Drivers and Tour Escorts, if the services you receive were satisfactory. Gratuities are customarily given at the conclusion of the trip.

Required Identification: On any tour leaving the United States, it is the responsibility of each passenger to have in his/her possession the required documentation. American Tours recommends that you acquire a Passport. Regulations regarding border crossings and identification are changing and confusing, but a Passport is always valid identification. We do not recommend any other document or any other form of identification.

Additionally, for airlines, cruise ships, and Amtrak, it is necessary to reserve every ticket with each passenger's exact legal name (no nicknames). On all flights, even domestic, every passenger must show a government issued Photo ID with spelling exactly as it is on the ticket.

American Tours is not responsible and cannot delay a tour if any passenger is denied border crossing or boarding onto a cruise ship, airplane, or train.

Child Policies: American Tours specializes in "Senior Adult Motor-Coach Travel". We will not refuse transportation on tours to children who have proper supervision. However, because of the market we are attempting to reach, we strongly suggest that children under the age of 18 be taken only on "One Day" Tours or on "Grandparents / Grandchildren Tours". The information provided in the trip description on each individual tour will indicate if the above descriptions apply to the individual tour in question. When taking children out of the country, it is very important that you have documents, especially a Birth Certificate. If traveling with a grandchild, you need notarized parental permission slips (from both parents) as well as permission to make medical decisions.

Motor-Coach Road Rules: Because we operate tours for groups of people, we must be concerned with the happiness of many people. In our efforts to be fair minded to everyone, we have standard policies by which all passenger must comply.

1. Until concerns about Covid-19 have been addressed and the public feels safer, we WILL NOT be rotating seats on the bus each day as we have done in the past. We do hope this will change in the near future.
2. There is no smoking onboard a tour bus.
3. All passengers must be capable of basic self-care and routine hygienic maintenance. Widely accepted standards of the day suggest that you should bathe daily.
4. All passengers must be responsible for their own mobility. All tours require average physical activity. You should be in good health, able to climb stairs and walk reasonable distances, possibly over uneven grounds. Due to limited storage space, Motorized Scooters and Wheelchairs are not permitted on any tour. If needed, Foldup Walkers are permitted, but if you need assistance, you must bring that assistance with you on the tour.
5. We will not tolerate public intoxication or otherwise rude and obnoxious behavior at anytime during a trip.

Baggage Disclaimer: Although every effort is made to have your luggage handled carefully, American Tours offers no guarantee, assumes no responsibility for, and cannot accept any claims for loss or damage to luggage and or personal possessions. Whether this is due to theft, wear and tear, accident or other causes, by our agents or our employees, American Tours will not be held liable.

Responsibility: American Tours reserves the right to change or cancel tour itineraries, and any tour components or services, whenever American Tours (in its sole discretion) deems such changes to be necessary. All air fares, cruise fares, and rates for other transportation and tour services are based on fares in effect at the time of printing and are subject to carrier tariff changes, and supplier surcharges.

COVID-19 POLICY

COVID-19: The Corona Virus continues to be of concern in the United States, and we continue to evaluate what we are doing to ensure the safety of our customers and employees. Currently, we are not voluntarily cancelling trips or avoiding any areas. We will continue to monitor, and act based on what the Centers for Disease Control has to say on the matter. In the meantime, we are taking the following steps to help combat the spread of the virus:

BUS CLEANING:

- Motor coaches are cleaned and disinfected thoroughly after each trip. In addition, our cleaning staff will spend additional time in high traffic areas, such as:
 - Handrails in the entryway
 - Bathroom handles
 - Seat handles
 - Inside luggage compartment handles
 - Steering wheel and dash area
 - Any other frequent touch points inside the coach
- We are disinfecting each bus with Boulder Clean Disinfectant. It includes the following benefits:
 - Bleach Free
 - Free from dyes
 - Kills 99.9% of bacteria & viruses
 - Effective against the following: Covid-19, Influenza A3 Virus, H1N1 Influenza A Virus, Herpes, Human Rotavirus, MRSA, VRE, and a list of others.
 - Disinfects any Hard, Non-Porous Surface

DURING TOUR:

- The main preventative measure advised by the CDC is hand washing. They advise to wash your hands often with soap and water for at least 20 seconds, especially after going to the bathroom; before eating; and after blowing your nose, coughing, or sneezing.
- If soap and water are not readily available, use an alcohol-based hand sanitizer with at least 60% alcohol. Always wash hands with soap and water if hands are visibly dirty.
- Hand sanitizer is available on the motor coaches for our passengers, and we will offer hand sanitizer to passengers as they board the coach.
- Passenger Temperatures will be taken each morning throughout each tour. Unfortunately, those with elevated temperatures will not be allowed to continue on the tour.
- At this time, we encourage our passengers to wear Face-Mask at all times while off the bus. We will not be requiring them to be worn at all times while on the bus. All of our passengers are grown adults and are normally in the Senior Adult range in age. We all have the same health concerns. At this time, we are relying on everyone to follow CDC guidelines. However, at no time will we nor a passenger behave as the Face-Mask Police. Simply be aware there might be passengers on our tours with differing options than yours.

At American Tours, the safety of our customer and employees are our top priority. The above policy and procedures are subject to change according to any new updated information from the CDC. For more information regarding the virus, please visit the Center for Disease Control and Prevention website at <https://www.cdc.gov/coronavirus/2019-ncov/travelers/index.html>.
